Orcka Basic Canoe Level 1 & 2 certification is included in this Algonquin Park canoe trip. What our customers say: I attended a 3-day canoe camping outing in Algonquin Park in July 2013. This weekend, I learned basic canoeing skills, including how to quickly and effectively do canoeing over canoe rescue, and got my ORCKA (Ontario Recreational Canoeing and Kayaking Association) level 2 certification completion trip. All aspects of the logistics of the outing were professionally handled Wilderness Adventures (e.g. canoe rental, park permits, dry bags, dry backpacks, tent, meals and snacks, cooking equipment, water filtration system, meal preparation, etc.), resulting in almost zero planning for the trip. The only planning involved choosing personal items (clothing, toileteries) – which was also easy because they gave me a detailed list ahead of time. It was a great weekend, the weather was fantastic and I learned a lot of valuable lessons. Roch G. Gatineau, Quebec I just want to say that I had a great time on a 3 day Algonquin Park canoe trip. I really loved it. The room was quite small and the bathroom was quite small. Do you still have to ize. Jacqueline J. from Holland Thanks again for a fantastic canoe weekend at Algonquin Park last week. We all had a very good time and I really enjoyed the opportunity to get back out into the canoe and do some interior camping. The room was quite small and the bathroom was quite small. Jeff R. Port Colborne, Ontario I just want to say that we had a lot of experience on our canoe trip last week. Our guide was the best. He is a very good, helpful, knowledgeable and very good negotiator. He even rains and thunderstorms, fun. The whole experience was second to none. We were able to see moose, enjoy good food, a great camp site and through the process of learning a lot about canoeing and camping. We know that before the trip, none of them we know. We would definitely stay there. Enjoying guests: Kika and Santiago A.
